Affidavit for Search Warrant

State of Texas
County of Taylor

I, Tim Pipes, being a peace officer under the law of Texas and being duly sworn, on oath makes the following statements and accusations:

1. There is in Abilene, Taylor County, Texas, a suspected place described and located as follows: A single-family residence located at 1618 Sylvan Drive, Abilene, Taylor County, Texas, further described as a red brick house with a gray shingle roof, green siding, and a glass storm door that faces to the East. The numbers 1618 are prominently displayed in gold numbering on a black placard on the wall just North of the front door, and there is a carport, garage, and a driveway on the South side of the residence facing Green Meadow Road.
2. Said suspected place is in the charge of and controlled by the following named parties: Luke Matthew Sweetser, a white male born on [REDACTED] and Elloise Sweetser, a white female born on [REDACTED]
3. There is a suspected place and premises the following items constituting evidence of a criminal offense or constituting evidence tending to show that a particular person committed a criminal offense: Any and all items related to the offense of Texas Penal Code 19.02 MURDER including but not limited to: cellphones, computer towers, computer laptops, tablets, and any electronic storage devices.
4. Affiant has probable cause for said belief by reason of the following facts:

Your affiant was called to assist with a homicide investigation where police patrol officers responded to a residence in the 3700 block of Woodridge and found a male subject was deceased in his bedroom. The victim had sustained several gunshot wounds. Empty .40 caliber shell casings were recovered from the scene. There was no forced entry discovered and the witness, the victim's wife, heard several gunshots before running from the residence in fear. Marks and tracks were discovered in the mud leading to the creek behind the victim's house.

During the investigation, it was discovered that the victim's father had recently passed away and there was reported strife between family members concerning the executors of the related will. The victim and his mother had been named as

executors, but the victim's sister, Elloise Sweetser, and her husband, Luke Sweetser, had specifically been excluded as executors of the will. Elloise and Luke Sweetser were reportedly very upset over this issue and had made failed requests and attempts and changing the status of the executorship which led to verbal disputes between themselves and the deceased.

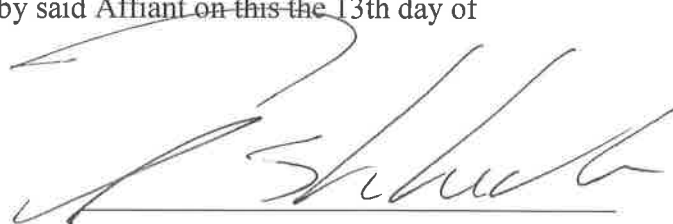

Your affiant additionally learned during the investigation that Luke Sweetser's location was unaccounted for during the night and morning leading up to the shooting victim's death. When contacted by detectives, Luke specifically told a detective that he did not have an alibi and was uncooperative with the investigation of the murder of his close family member by further refusing to speak to detectives for any reason.

Your affiant learned that, after knowing of the victim's death, Luke Sweetser retrieved his 13-year-old son, [redacted] Sweetser, from school. In an administrator's office, Luke told [redacted] that the victim had been shot. [redacted] responded by saying that the victim was mean and nobody liked them but he hoped that the shooting was done with a .40 caliber so that the victim wouldn't suffer.

Your affiant has learned through his training and experience that persons involved in criminal activity often utilized cellphones, computers, laptops, and tablets to research, discuss, and achieve their plans, objectives, accomplishments, and to take and store photos. Electronic storage devices can contain and/or store this type of information and data. Furthermore, electronic devices can contain geographical information that can corroborate their locations at a given time. Therefore, your affiants ask for the issuance of this warrant to search said suspected place.
